

## MEN'S FORMULA

60 CAPSULES STOCK No: 3112-7

**Men's Formula** contains nutrients essential for optimal glandular system function and provides a dietary supplement designed especially for men of forty and older, with a herbal combination specifically targeted to provide nutrients for the prostate gland.

NSP's Men's Formula contains the essential mineral zinc, saw palmetto, gotu kola herb together with stinging nettle, and pygeum which has long been used by natural health enthusiasts in Africa, and it is widely used in Europe, too.

Men's Formula is the first NSP product to offer a concentrate of saw palmetto, which has been standardised to 20 per cent essential fatty acids.

The pygeum extract has also been standardised to 2.5 percent total sterols (calculated as B-sisterol). Stinging nettle helps support the nutritional properties provided by pyguem and saw palmetto.

Every capsule of Men's Formula provides 54 mg. pygeum extract, 190mg. saw palmetto extract, 10mg. stinging nettle extract, 150mg gotukola herb & 5mg zinc.

There are 60 capsules per bottle. NSP recommends taking one capsule three times daily, preferably with meals, as an addition to the everyday die.

Also see **GINSENG & SAW PALMETTO COMBINATION**, being a further product designed especially for men, providing nutrients for the prostate gland. to help reduce inflammation in the reproductive and urinary systems, particularly the prostate and kidneys

**NOTE:** **Men's Formula** is not available from the UK Stock List, but can be obtained from 'Sunshine Direct' at the NSP facility in Spanish Fork, USA. For details call Arthur at 01691 780094
