

## **AMERICAN PRODUCT ORDERS FROM SUNSHINE DIRECT (NSP U.S.A.)**

Products from the American range which hitherto were not available from the Telford UK warehouse, are now available to Distributors from Sunshine Direct.

The full Stock List is available here - click on 'UK SUNSHINE DIRECT ORDER FORM' - where full details of prices and carriage costs are shown and where it can be seen that Tax, Duty and Shipping Costs vary according to order value.

You can email your order to [sunshinedirect@natr.com](mailto:sunshinedirect@natr.com) but the American end is efficiently managed by Joanna Perez who can be reached by emailing [joannap@natr.com](mailto:joannap@natr.com) and you can expect a swift response and excellent advice. You can also phone 001 801 342 4515 during their office hours, but they are about 8hrs behind us.

If you have any difficulty and you need further advice please contact me.
